Red Cross to Start Annual Drive Mon.

Local Workers Will Aid in Membership Campaign

Final arrangements for the coming Red Cross Roll Call for membership in Albany were made at a meeting of captains Friday morning at the home of Mrs. William G. Orton, 916 Ventura Avenue, who is Colonel of the local district.

Under Mrs. Orton are seven captains, each with a group of lieutenants who will offer the opportunity of joining the Red Cross to citizens of this city during the Roll Call, November 15 to 19. Albany is a part of Berkeley Chapter, American Red Cross, and participates in the Chapter program.

Captains who have volunteered their services are Mrs. J. W. Noble, Mrs. Norval Parker, Mrs. Teasdale, Mrs. Virginia Howes, Mrs. Fred Houser, Mrs. Harry Askham, Mrs. H. E. Wyatt and Mrs. Charles Lyon. C. E. Morris is in charge of publicity.

MEN'S COMMITTEE

The men's committee will be directed by L. F. MacDonald and Charles Lyon, aided by Max Etingoff, Joe Villa, Vincent Hanahan, Oliver Nelson, Ed Ryken, Walter Holland and George Batchelder.

Mrs. Grace Higgins, city treasurer, will handle the memberships of those at the city hall as well as of other city employees.

Other persons who will assist in the drive are said to be phone THornwall 3035 or Berkeley 1430 for instructions. In order to complete the task in the short time of five days, as many volunteer workers as possible are being sought.

SHORTWAVE PROGRAM

Over 5000 shortwave stations operated in north Berkeley by Reginald Tibbets, messages will be flashed Sunday morning at 11 a. m. to officials of the Red Cross throughout the world. These will include a special greeting to President Franklin D. Roosevelt, honorary president of the American organization.

These messages will convey greetings from the Berkeley Chapter of the Red Cross as the annual membership drive opens and an invitation to visit the bay region and see the San Francisco-Oakland Bay Bridge, the new yacht harbor and aquatic park in Berkeley and other points of interest.

Tibbets' station will operate on 74-236 kilocycles or 20 meters and on 28-473 kilocycles, 10 meters. This is the control station for the network of receiving and sending sets which handled most of the communication during the construction of the bridge.

RALLY IN BERKELEY

A Roll Call Rally will be held tonight in Berkeley at the Veterans Memorial Building at 8 p. m., at which time Hollis Thompson, Berkeley city manager and chairman of the drive, will deliver the keynote address of the rally. He will be introduced by Chapter Chairman C. W. Whitney.

John W. Zydenam, national representative of the American Red Cross, will outline the activities of the organization. A motion picture will be shown and music will be furnished by the University of California Glee Club Quartet and the Willard Junior High School Band.

All workers and those who desire to assist in the campaign in behalf of the Red Cross are urged to be present.

NEW MUSIC STORE ON SOLANO AVENUE

Because of a last-minute decision to occupy larger quarters, the Albany Music Shop, which was to have opened on San Pablo Avenue Monday, will be located at 1423 Solano Avenue and will be ready for business tomorrow.

Frank Hartley and Jack Martin, proprietors, said that their shop would carry a line of midrange radios, electrical appliances and gift items in addition to a complete stock of merchandise for the musician and student.

Both men are instructors and will give lessons on all instruments at their studio, located in the shop. They will be glad to assist any group, they said, that wishes to start any type of orchestra or band in Albany.

"Grid Night" For Hi Dads

The Dads Club of Albany High School is sponsoring another of its popular "Football Night" programs next Thursday evening, November 19, at the high school, it is announced by Charles Moore, principal.

Motion pictures of the U. C. U. S. C. football upset of last Saturday have already been secured for the night and the Dads have an option on the films of the St. Mary's-Santa Clara contest of next Sunday.

In addition to these features, exciting talks will be given by either Ernie Smith or Doug Montell, well known football broadcasters of the Associated Oil Company. A coach from one of the colleges of the Pacific Coast will also appear before the Dads and their sons and guests at this date.

All of the male students of the high school will be guests of the club if accompanied by a dad. Refreshments will be served in the cafeteria during the evening.

Many Attend Legion Dance Armistice Eve

Entertaining more than 200 persons, the third annual Armistice dinner and dance of Albany Post of the American Legion was held Tuesday night at the Veterans Memorial Building.

The hall was decorated with the flags of the allied nations in the World War and provided a colorful setting for the event. The guests included many city officials of Albany and many representatives of the local and bay district posts of the Legion.

As the excellent dinner was served the assembled guests, a variety of entertainment numbers were presented by professional talent. These acts consisted of different types of dancing and musical attractions and were enjoyed by all present.

One of the season's social events was provided as these in attendance witnessed the vari-colored display of feminine styles worn by the women present.

Shortly after 11 p. m. the stage revealed an effective picture, that of Old Glory waving in the breeze, and all joined in singing "The Star Spangled Banner". The flag was outlined with light and with the aid of skillfully arranged stage lighting made a stirring spectacle.

Walker Lyon headed the Legion Committee in charge of the affair.

Rob Gas Station For Second Time

Police were today investigating the second robbery in two weeks of the Metzler Service Station at Marin and San Pablo Avenues. Officers K. Nickerson and S. Williams discovered the latest crime on their rounds early yesterday morning.

Entry was obtained, the officers said, by the removal of a pane of glass in the station. This was the same method used in the other burglary when the sum of \$36 was obtained. Metzler's loss yesterday was \$9.75.

"It is apparent," said Sergeant Charles Hardie, "that the jobs are the work of a young man or boy. We obtained good fingerprints on the other occasion." These prints were obtained through the cooperation of Officer Arthur Peralta of El Cerrito, it was learned, who operates a fingerprint camera for the department. Albany does not possess this equipment.

Five suspects have already been questioned, the sergeant disclosed, but were released when their fingerprints did not check with those on file.

NEW STORE OPENS

The city's newest store, the Albany Bargain Spot at 823 San Pablo Avenue, will be open for business tomorrow, announced R. L. Irwin, its proprietor.

Although the store has not a complete stock yet, Irwin said that he would have many items of china and enamel ware and other merchandise. His official opening sale will take place next Saturday, November 21.

HERE'S THE NEW BAY BRIDGE

Shown above is a portion of the newly-opened San Francisco-Oakland Bay Bridge, for the completion of which the entire bay region is now engaged in a gigantic celebration. The transbay span was constructed at a cost of \$72,000,000 and was officially opened to traffic by Governor Frank F. Merriam. President Franklin D. Roosevelt also participated in the ceremonies by telegraph.

Murphy Bids All to Open House Tonite

To acquaint everyone in this region with the 1937 Chevrolet and his firm's newly enlarged and re-decorated building, an invitation was today extended by Gerald Murphy, Albany Chevrolet dealer of 916 San Pablo Avenue, to attend an open house this evening at 7:30 p. m.

Several interesting talking pictures, including novelty and other productions will be shown the guests who assembled at the local showroom tonight, he said. In addition, he has a number of gifts and prizes for his many friends.

The 1937 creation of the Chevrolet Motor Company was revealed here last Saturday at the spacious building his company now occupies. The verdict of the many enthusiastic persons who have viewed the complete line of new models is that Chevrolet has again led the motor industry in offering "the complete car—completely new" to the motorist of today.

The Albany concern had a record year in the sale of 1936 models and expects to surpass this quota during the coming season, he said confidently, telling of the many features which have already caused a number of Albany residents to place their orders for the new cars.

The first 1937 Chevrolet coach was delivered early this week to Jack Varni, manager of the Mechanics Bank of this city. To C. Valterra, owner of the poultry market at 953 San Pablo Avenue, went the honor of securing the first new 1937 pickup delivery truck, the sales records revealed.

Audience to See Amateur Show Tonight

The audience at the Albany Theatre this evening will see the second of a series of amateur nights now being put on by the theatre and the Albany Hive of Maccabees. The entrants will appear at 8 p. m.

Intended as a means of receiving the talented persons in this city, the contest is proving exceptionally popular with all who see it. The winners are chosen by popular acclaim and receive awards.

The entries tonight will be: Buddy Meads, 830 Ramona Avenue, singer; Marilyn Gorman, 949 Masonic Avenue, tap dancer; Dorothy Olesen, 961 Masonic Avenue, song and dance; Bernadette Rose, singer, of 661 Pomona Avenue, accompanied by Barbara Jean Corbett of 1451 Garfield Avenue; Kennel Seiback, 1315 Santa Fe Avenue, songs, and Vernon Jones, 954 Talbot Avenue.

Chosen by the audience as winners of last week's contest were the Albany Playground Orchestra, directed by Ed Howell, and Eddie McLaughlin, harmonica player. These entrants will compete in the finals on Friday, December 11. The contest is in charge of J. P. Williams.

With specials in the new shades of fall hosiery, the Albany Variety Store at 841 San Pablo Avenue is now conducting an exceptional money-saving sale for its many patrons, it was announced today.

A new and complete line of gifts and toys are also in stock, at prices that will attract the early Christmas buyers. This popular shop also maintains a large selection of greeting cards and many other items.

Druids Plan Bazaar Here Next Week

All is in readiness for the Albany Druids' Turkey Bazaar to be held here Saturday and Sunday, November 21 and 22, according to an announcement from W. F. Brazil, chairman of the event. Final plans, he said, were discussed Friday night at a committee meeting attended by John Sola, E. Damonte, Tula Mazzucca, H. Jenkins, G. Cunningham, Mrs. R. Marcello and other members of Albany Circle and Mrs. Lena Leone and members of Arbor Vitae Circle.

The committee has decided on a number of concessions and games for the affair and names as a sample, these: The Fish Pond, Country Store, fortune-telling booth, Bingo and others.

Free tickets may be secured from the following Albany merchants: Dons' Market, Johnny's Quality Meat Shop, Villa's Market, Mortara's Meat Market, Repp's Albany Pharmacy, Cerruti Dry Goods Store, Martino's Market, O. C. Yenne Grocery and the Albany Theater.

The bazaar will open Saturday night at 7 o'clock and will run until midnight, Brazil said. On Sunday it will be open at 2 p. m. In case of rain, it will be held in the Community Center Building.

Carnival to Aid Albany's Needy

By OPAL VILLA

During the past week, the members of the committee in charge of the Christmas Carnival have received the names of a number of needy families in Albany. These are now on file and most of them have been investigated by Dr. Jane Paxson, the general chairman, and found to really need the kind of neighborly assistance that the proceeds from the Breakfast Club's big affair will supply.

If you know of any such persons, please get in touch with Dr. Paxson at THornwall 7830. We wish to take care of everyone in need in this city.

Tickets for the Christmas Carnival will be on sale next week at a number of stores. These sell for only 50 cents. Please remember that the purchase of a ticket constitutes your share in this worthy enterprise. And you'll have a good time that night, besides.

Evangelistic services will be held at the Westborne Baptist Church during the next week by Rev. Richard M. Furman. Services will start at 11 a. m. and at 7:45 p. m. on Sunday.

Petition to City Council Declares Pound Nuisance To Residents of District

Officials Hear Charges, Request That Agency Be Moved From Present Site; Complaint Is Placed on File

Charging that the present maintenance of the city pound at the foot of Buchanan Street was a nuisance to the residents and property owners of the adjacent neighborhood, a petition bearing the signatures of 56 persons was presented to the City Council at its meeting Monday night.

The petition was presented by C. R. Turner of 912 Fillmore Street, representing the signers, who asked that immediate action be taken to remedy the asserted condition. Among the complaints listed were that the institution detracts from the value of surrounding property, that the barking of impounded animals constitutes a decided nuisance at night and that the land occupied had been secured from the University of California solely for park and recreational purposes.

Supporting the contention of the protesters that the presence of the pound was harmful to the values of property in that section, a communication from the Raymond and Schaefer Real Estate Company accompanied the petition.

CLAIMS HEALTH MENACE

Turner also told the council that a serious menace to the health of children and others who visit the dump exists because, he claimed, the carcasses of unclaimed animals are thrown in the debris at this place. He reported a conversation with the dump attendant who told that the remains of the animals were burned with such materials as could be so disposed of.

He also told of having several children report to him that they had seen partially covered bodies of dogs that were lying on the dump, and asked that some other manner of disposal be arranged for.

Refuting these charges, Councilman Vincent Hanahan replied that he had recently investigated and found out that the remains of dead animals were always buried in from four to six feet of earth at the dump. Hanahan also reported that he had been in the vicinity of the pound on a number of nights lately and that he had not noticed any disturbance due to barking of animals.

Police Make Fine Record

Twenty-one stolen cars recovered in Albany by the police department since the first of the year!

Thus reads the record today, following the recovery early yesterday morning by Officer Kenneth Nickerson of a Dodge coupe belonging to Warren Hamilton of Modesto. Driving the car was Leo Nolan, 16, of Los Angeles, accompanied by Jean Steel, 15, also of that city.

The boy admitted the theft of the car, Sergeant Charles Hardie reported. After the pair were taken to the detention home to be held for investigation, police received word from Los Angeles that the youngsters had run away from their homes several days ago and were being sought. An officer was said to be on his way here last night to take charge of them.

Last week Officer Nickerson apprehended two runaway youths, Bob Sadler, 16, and Lester Keys, 17, of Stockton in a stolen car owned by F. J. Dietrich of that city.

Slug User Is Arrested Here

Patrons of Wilson's, at 663 San Pablo Avenue, are now discussing the possibility of placing Dave Wilson, the proprietor, on one of the football teams in this district.

All because Wilson, last Saturday night, made a flying tackle and captured a man who was putting slugs in his pinball machines. On the previous night the man, who later gave him the name as Alex R. Tonn of Oakland, had placed about \$6 worth of slugs in the games, Wilson said, and was under surveillance on his second visit.

Tonn attempted to escape from the local man but was thrown to the floor and held by him and several patrons until the arrival of Officer Frank Davis, summoned by Mrs. Wilson. He was booked by the officer on the charge of possessing the slugs and will appear before Judge George W. Hickman in court this morning.

Police said that Tonn has a criminal record, and served a nine-month jail sentence in Oakland last year.

Professor and Mrs. Frederic L. Paxson and their daughter, Dr. Jane L. Paxson, entertained Mrs. Beatrice Raymond of this city Wednesday evening in their home at 40 High Gate Road.

Murphy Nine Is Winner Sunday

Dedicating their splendid 11-2 victory last Sunday to the Murphy Chevrolet Company, their sponsors, the members of the Murphy baseball team were today eagerly awaiting next Sunday's game.

The game, played in the Western League, sponsored by the Oakland Baseball Managers' Association, saw the local players completely overwhelming the nine of the Zaragosa Club. Behind the fine work of Pitcher Dorenzo and Catcher Morgan, the victors rolled up a total of 14 hits and 11 runs while their opponents emerged with but 2 runs and 7 hits.

Morgan got three hits, a triple, a double and a single. Borba and Dorenzo clouted out two hits apiece and a long triple was tallied up for Fitzgerald. Barassi, Connors and Eppson playing good ball in the field.

Praising the boys for their fine game, Gerald Murphy told Manager George Borba that the appearance Saturday of the 1937 model Chevrolets undoubtedly had aided them in this, their first victory in several games!

The annual Christmas Bazaar of the Ladies Aid of the Albany Community Church will be given in the near future. All kinds of lovely gifts and cooked foods will be on sale, it is said. The exact date will be announced later by the group.

ALBANY POST

With a full evening of business Albany Post had time to hear the remarks of several distinguished guests at its regular meeting last week. John Zydemann, national representative of the American Red Cross spoke to the members in regard to the annual Roll Call for the Red Cross which starts next Monday. Professor William Hermes, president of the Berkeley Council, Boy Scouts of America, officially named Vernon Cotrell an Eagle Scout before the assembled Legionnaires, Vernon being the first member of Troop No. 12, sponsored by Albany Post, to attain this high rank in scouting.

Professor Hermes congratulated the Boy Scout Committee of the Post, the Legion in general and Albany Post in particular for the fine work carried out in Boy Scout work. Walter Cottrell presented his son with an Eagle Scout ring and placed it on the boy's finger with pride.

Clarence O'Brien, former Scoutmaster of Troop No. 12, called Richard Clayton and his son, Robert O'Brien, to the front and presented these two boys with their American Legion Boy Scout neckerchiefs for attaining the rank of first class scout. It is the custom of Albany Post after a boy is made a first class scout in its troop, to present the boy with this gift.

Preparations to welcome Mrs. Florence Boyle, Grand President of the N. D. G. After Mr. Zydemann's talk Commander Leon Fay, appointed a committee to work with the city-wide committee on the Red Cross Roll Call. Charles B. Lyon was named chairman and is also serving on the city-wide committee. Others of the local Post who were selected for the Legion committee are J. R. Moore, Gerald Murphy and James Griffith.
